Corporate Technologies LLC Ranked Among North America's Top 500 Technology Integrators by Everything Channel

Minneapolis, MN, June 24, 2010 – Corporate Technologies LLC, a Minneapolis Headquartered IT managed services provider, has been recognized by Everything Channel as one of North America's top technology integrators. Named to the prestigious VAR500 list, Corporate Technologies placed number 395 in the 16th annual ranking.

The 16th annual ranking VAR500 list details the leading producers among technology integrators and technology solution provider organizations in North America based on gross worldwide revenue of hardware and software sales, as well as earnings from professional and managed IT services. This year's list reflects the strength of the technology reseller channel as the ranking includes 182 new companies with four percent of the new entrants landing in the Top 100.

"Technology continues to be the driving force behind the innovative changes in productivity for businesses. I am proud of the achievements Corporate Technologies has earned for delivering technology solutions to its customers," said Jim Griffith, CEO, Corporate Technologies. "It is an honor to be recognized by Everything Channel and to be part of the 2010 VAR 500 list. These industry accolades would not have been possible without the contributions from our employees, as well as the continued confidence of our customers."

"The VAR 500 is the who's who of the solution provider community. Microsoft, HP, Cisco, Symantec among others are highly reliant on the VAR 500 to sell their products to businesses and collectively this audience generated more than \$500B in sales in 2009. Even more importantly they solve customers' biggest IT business problems through product integration, training, consulting and services. In companies large and small, the VAR 500 are considered integration experts, trusted business advisors and invaluable partners. We are honored to compile this list and represent this audience," said Kelley Damore, VP, Editorial Director, Everything Channel.

The complete listing of the VAR500 is published in print and online at [CRN.com](http://www.crn.com) on May 24, 2010.
